National Guard officers who served on the border say the men who ran away from the sentry may have been "Women must get over being 'me foreigners who were leaving, some toos.' Mrs. Jones gets an automobile. 'Me too,' says Mrs. Brown, whether her husband can afford it or not. And there are just as many men as women sayers of 'Me too.' Such people are not personalities. They are not entities. They are human fractions. There isn't a personality in a thousand of them!'

The Kev. Mr. Bartholow spoke mill-

them!

BIGOTRY HAS NO PLACE IN PERSONALITY.

"Personality has an open mind. There is no lesser personality alive than the religious bigot. The bigot has a closed mind. The person who accomplishes things must keep his mind sweet, kud and decisive. A personality like that of Farragui's, who, when fold that the Bay of Mobile was full of torpedoes, said: 'Damn the torpedoes; go on!' is more power.

bile was full of torpedoes, said: 'Damn
the torpedoes; go on!' is more powerful than any organization. It will nove said. There is only one 'BB' always rule any organization. I'd like like, E. W. Grove's agreement on box, 25c. Ast

BRITISH CAPTURE MORE TRENCHES FOR EMPTY TRENCH, TRENCHES LOST Was Always the Same to All Men ALONG SOMME

Three-Ouarters of a Mile Front Near Serre.

LONDON, Feb. 12.-Another lunge forward by the British on the northin which they carried about threequarters of a mile of German trenches and took more than two hundred day's official report asserted. The prisoners, is officially reported to- evacuation was without molestation northeast of Smorgon, our scouts, day. This attack was made north of by the enemy.

German first-line positions.

Aside from this, the most striking feature of the late war bulletins is also a British success, but in a far distant field—a considerable advance on the Tigris, in Mesopotamia, which gave the British troops, the report announces, part of Gen. Townshend's old fortifications on the south bank of the river at Kut-el-Amara, which he held against the Turks for nearly four months.

La Bassee all attacks, prepared for by lively fire, failed," the statement declared. "During the day a strong artillery effort was directed against declared. "During the day a strong artillery effort was directed against our positions on both sides of the fine brights in Mesopotamia, which six times attacked the wrecked about one ompany strong the sector north of Mikhailovka, about six and one-half miles north of Kiselin (Volhynia), occupied by two of our company the front held by one company the front held by two of our company the front held by one company the front held by two of our company the front held by one company the front held by one company the front held by one company the front held by two of our company the front held b
